

PRODUCT SHOWCASE

COVERED BIT HOLDER

Part Number: NC-QR-514
Description: 7/16" QUICK RELEASE BIT HOLDER, 3/8" SQ DRIVE 2-18" OAL, WITH A RIBBED, FREE-SPINNING UGH COVER
Industry: AMERICAN AUTOMOTIVE ASSEMBLY

CUSTOMER CHALLENGE

- Requirement for all rotating tools to be covered for Operator Safety.
- Non-marring cover desired for vehicle finish protection.

THE APEX SOLUTION

- Smooth, free-spinning UGH cover.
- Easy grip ribs provide ease of use and greater safety for the Operator and surrounding surfaces.
- Anti-marring UGH cover greatly reduces damage to painted vehicles and other sensitive surfaces.
- Additional sizes currently available. More sizes available as a Custom Solution.
